Lead the change.
Be a Technovation mentor.

Inspire a new generation of girls to change the world through the power of technology.
Be a Technovation mentor.

As a mentor, you will guide a team of girls as they develop a mobile app to address a problem in their community, write a business plan, and pitch their startup.

Mentors can be technical or non-technical, work in pairs, and support teams virtually or in-person.

Time commitment

Jan-April 2–4 hr/wk
