

VOLUNTEER SLACK GUIDE

 An easy way to connect with the **Technovation team** and **volunteers around the world**, your new community!

What is Slack?

"Slack is a messaging app for business that connects people to the information they need."
-slack.com

4 SLACK TIPS

- 1 Notifications**

Setup notifications so you can stay up to date throughout the Technovation season! We recommend you turn on **email notifications** and specify how often you want email alerts for new messages!
- 2 Bookmarks**

Each channel has links related to the channel bookmarked for easy reference.

- 3 Emojis**

Quick way to share how a message makes you feel or show that you've seen it!

- 4 Joining Channels**

Find new public channels by clicking **Add channels** (bottom of your list of channels), click **Browse channels**, select the one you are looking for and click **Join**.

CHANNELS

#announcements

- Updates from the Technovation team
- To keep it a place for easy reference, only the Technovation team will be posting here, but you are encouraged to react with an emoji!

#general

- A space for general program discussion that doesn't fit in another channel, like introductions, team wins and more!

#ambassadors-connect

- Club and Chapter Ambassadors can connect for regional offerings/to share best practices and resources.

#mentors-needed

- Chapter and club ambassadors can post here if they are looking for mentors for teams.

#help-ai

#help-appinventor

#help-login-site

#help-thunkable

- Have a question? Post it in a #help channel.

#mentors

- A public channel for mentors to share their experience, ask questions, and get updates. Any volunteer is welcome to share questions or successes about working with teams.

🔒 #chapter-ambassadors

🔒 #club-ambassadors

🔒 #coaches

- Invite only channels for volunteers in the respective roles. This is a space for role specific conversations, questions, and updates.
