

## EMPOWER GIRLS IN TECHNOLOGY AS A CHAPTER AMBASSADOR

Bring Technovation's technology entrepreneurship program to girls in your community. Support teams as they:

1

Create tech solutions to local and global problems

2

Develop coding, AI, and entrepreneurship skills

3

Engage in a worldwide community of mentors and leaders

### CHAPTER AMBASSADORS:

1. Collaborate with a professional network of educational leaders
2. Receive individualized support, training and professional development
3. Are eligible for mini-grants

### WHO SHOULD APPLY:

- Leaders of organizations with access to student participants and adult facilitators
- Programs with the ability to facilitate regular meetings

### INTEREST FORM:

## PROGRAM TIMELINE

### July - Aug

Ambassador applicants are selected and determine program delivery model

### Sept - Oct

Ambassadors receive training and begin recruiting participants and mentors

### Nov - April

Students follow the curriculum to develop an app or AI solution and submit their projects on our virtual platform

### April - June

Teams participate in a global competition where they showcase their ideas and receive feedback from experts
