

EMPOWER GIRLS IN TECHNOLOGY AS A TECHNOVATION CLUB AMBASSADOR

Bring Technovation's technology entrepreneurship program to girls in your community. Support teams as they:

1

Create tech solutions to local and global problems

2

Develop coding, AI, and entrepreneurship skills

3

Engage in a worldwide community of mentors and leaders

CLUB AMBASSADORS:

1. Support 5 or more teams of girls to create and submit a project to Technovation's global competition*
2. Receive exclusive training, curriculum, resources, and support from Technovation
3. Gain experience running STEM programs and connect with a global community of educational leaders

* Time commitment ~10 hr/month; may be shared across individuals in an organization)

WHO CAN START A CLUB?

- Teachers
- Parents
- Educational Staff
- Community-based organizations

Must be 18 or older

FILL OUT THE INTEREST FORM

PROGRAM TIMELINE

July – Aug
